Charpie Leadership Institute Scholar (selective two-semester civic leadership cohort)

April 2026

National Merit Finalist

April 2025

EXPERIENCE

Pittsburgh Tomorrow

Pittsburgh, PA

Product Manager Intern

June - August 2026

- Developed LivePGH, an interactive Leaflet-map web app matching Pittsburgh residents to neighborhoods that fit their needs
- Engineered a data pipeline that fetches, normalizes, and caches six civic data sources into LivePGH
- Designed six-question matching quiz and weighted scoring algorithm, plus a tool for comparing neighborhoods on cost, walkability, schools, and transit access

Carnegie Mellon University

Pittsburgh, PA

Undergraduate Research Assistant - Security Economics Research

June 2026 - Present

- Analyzing an agent-based simulation modeling cybercriminal team formation through game theory
- Revamping core utility functions to improve pipeline reliability and reduce technical debt across the simulation codebase

AmeriCorps LitCorps (Summer Learning Collaborative)

Wilmington, DE

Literacy Instructor

June - August 2024, 2025

- Delivered 1:1 enrichment literacy instruction to 20 remedial elementary & middle-school students over a 6-week period, driving 13% average educational growth via BookNook platform
- Differentiated instruction across diverse reading levels, using real-time BookNook data to pilot and modify teaching strategies

Pamoza International

Zowe, Malawi / Remote

Media Operations Intern

June 2023 - April 2024

- Trained 15+ staff members on video software and equipment, enabling independent in-house content production
- Built a centralized media workflow built for staff-led maintenance, removing dependence on continued outside support

PROJECT EXPERIENCE

Zab Hair Studio (freelance)

Newtown Square, PA

Freelance Web Developer

June 2026 - Present

- Translated client brand and business preferences into technical requirements through series of interviews
- Designed and built site from scratch, including a centralized content architecture and platform-detecting video embeds

Design for America CMU

Pittsburgh, PA

Project Team Member

September 2025 - May 2026

- Devised three interventions: critique cards, a physical art yearbook template, and a redesigned mailing system, to boost attendance in MCG Youth's afterschool arts programs across four studios
- Informed design decisions through expert interviews, student surveys, and think-aloud usability testing

Firm Foundation Fund

Newtown Square, PA

Founding Managing Director

August 2023 - May 2025

- Founded and managed school's first student-run investment fund (\$7,500 in assets), generating a 12% TTM return
